What's New

Food Pantry

The Family Center has fully transitioned to their work with the homeless population and Harvest Share has absorbed donations and clients, this has increased the daily number of families served by 50%. With the increases in daily clients also comes a need – Volunteers are needed to help keep things moving.

Ways to Help

Volunteers – with the increase in daily clients and the change in hours – the need for volunteers has also increased significantly! Opportunities and sign-up is available on the website at www.harvestshare.com

Blessings

Harvest Share Food Panty is overwhelmed by the blessings we have received over the last few weeks. We were blessed with the donation of a Ford Cargo Van to help with grocery pickups! Huge thank you to Scales Electric for the van and Graphix Garage for wrapping our new wheels!

Grace Church of the Nazarene took up a special collection too help the pantry with a huge need - a walk-in freezer.

The freezer was ordered and will be installed at the beginning of November.

Cornerstone Covenant Church spent a day of caring at the pantry, sprucing up the landscape, painting the storage room and providing new windows and flooring.

Harvest Share Food Pantry has the best volunteers that show up and help serve with hearts of gold

Serving

The recent mobile giveaway was held at Columbia State Community College and served 280 families.

The Pantry is currently serving 550 families each month
